

Artwork File Submission Guidelines

Follow these guidelines to ensure that your project is completed in a timely and accurate manner.

Don't see your file format here? Ask us if we accept it!

Email all artwork files to: orders@strykertough.com.

Files that include images or logos should be submitted in the following file formats:

Adobe Illustrator: .ai, .pdf, .eps or AutoCAD 2007 or earlier: .dwg, .dxf

Files that contain data or text only should be submitted in the following file formats:

Microsoft Word .docx or Microsoft Excel .xlsx, .csv

*Extra set up fees may be applied to your order based on the quality of files provided or complexity of artwork requested.

Color Tips:

- Save all color photos and vector images as CMYK.
- Please specify your Pantone/ PMS colors if you need an exact color match.

If you are sending an engineering drawing, please be sure it includes the following information:

- Part number
- Revision Level
- Overall part size
- Material Type and alloy (if applicable)
- Process of print
- Radius corner size
- Hole size and locations
- Colors (Any Pantone colors called out)
- Font specifications
- Barcode/ Datamatrix, QR Code information
- Tolerance, compliance, and quality standards
- Special labeling requirements
- Special shipping or packaging requirements
- Revision Level

*STRYKER follows all copyright and trademark laws and will not reproduce trademarked artwork or logos for any reason without written permission from the Owner of the art. STRYKER reserves the right to deny reproductions of any images.
